Academy / Club history

The academy is located in Market Harborough, England, and was founded in 2008. It is one of the most important academies in the United Kingdom and has about 150 students per year. During the summer holidays, the academy opens its doors to international students looking for short-term courses.

They pride themselves on offering their students a holistic education to develop as both soccer players and as students. Many coaches at the academy are UEFA A certified, and many have coached, managed, and/or played for professional teams.

So far, 21 students from the academy have achieved their goal of becoming professional soccer players.

Training Facilities

- **Training surface:** Natural and artificial turf
- **Additional training facilities:** Complete training gym
- **Quality of training facilities:** 5/5

The academy's training center is located on the outskirts of town, about a ten-minute bus drive from the accommodation facilities. Students train at a small stadium with a state-of-the-art 4G artificial turf pitch and live broadcasting technology.

The academy also features two 3G artificial turf pitches, several natural turf pitches, and large changing rooms that are all available for training sessions and matches. There are also classrooms for workshops and game analysis.

Furthermore, the student residence features an injury prevention and rehabilitation clinic, as well as a fully equipped gym.

Training

- **Skill level:** Intermediate / Advanced
- **Other soccer education features:** Strength training & conditioning, Diet & nutrition guidance, Goalkeeping training.
- **Students per training group:** 16 - 20 students
- **Training language:** English
- **Training intensity:** 4/5

The England High-performance Summer Soccer Camps feature professional-style training designed for intermediate/advanced players who already have extensive experience, great technique, and advanced game intelligence.

Players work on their individual skills as well as their tactical skills through individual and team drills and didactic matches. Coaches provide personalized guidance for each and every player, analyzing their strengths and weaknesses and helping them improve in all areas.

Goalkeepers also receive personalized guidance and train with qualified goalkeeper coaches to improve their skills between the posts.

All players also work on their strength and fitness and participate in various physical conditioning sessions during their time at camp. Additionally, participants receive nutritional guidance on a regular basis to learn about the proper diet for a professional athlete.

On the last day of each two-week camp session, the young athletes participate in a football trial match and receive a final evaluation report which outlines their strengths and weaknesses and tells them where they should focus on improving.

Coaches

- **Licenses:** UEFA A License, UEFA B License
- **Coaching experience:** Extensive experience coaching professional and semi-professional teams.
- **Playing experience:** Professional playing experience for teams such as Leicester City, Leeds United, Southampton, Coventry City, and Fulham
- **Languages:** English

Coaches at the England High-performance Academy possess various levels of UEFA qualifications, including the A and B licenses.

The academy's sports director is Istvan Kislorincz, who holds a UEFA A license and a bachelor's degree in Physical Education. Istvan played for his U21 national team. His coaching experience includes managing semi-professional teams in Hungary and youth teams in the UK and USA.

The academy also works with 5 other highly-experienced coaches, a dedicated goalkeeping coach, and several physiotherapists.

Language Classes

- **Native teachers:** Yes
- **Hours per week:** 5 hours of class per week
- **Quality of the classes:** 4/5

England high-performance academy offers optional English lessons to its students. These are 5-hours per week general English lessons given by a long-standing institution with over 4 decades of experience teaching English as a foreign language.

Classes are fun, interesting, and aimed at encouraging language learning and helping students gain confidence when communicating in English. The fact that the camp takes place in an all-English environment definitely helps accelerate students' learning.

English lessons are optional and available for an additional £200 fee.

Safety

One of the greatest safety assets of the England High-performance Soccer Academy is its location. Market Harborough is a small, quiet, and safe town of about 25,000 people, providing the perfect environment to focus exclusively on football.

This camp is for you if

- You're interested in attending a full-time academy program at the England High performance Academy.
- You thrive in a close-knit family-like environment where staff members show interest in your personal growth and well-being.
- You're an international student with an intermediate/advanced level of English who wants to live and international experience and finetune your English.

This camp is **NOT** for you if

- You don't play at an advanced level or don't have much soccer experience.
- You have a low level of English. Training takes place entirely in English which means students must understand at least the basics.
- Having fun is more important to you than your growth and improvement as a soccer player. The academy expects their students to be dedicated and disciplined.
